## Register of Notices of Motion

Notice of Motions submitted by Elected Members are recorded in a Register and the status of motions updated accordingly.

Meeting Date	Minute No.	Subject	Notice of Motion Submitted by	Officer Recommendation	Council Decision	Status
--------------	------------	---------	-------------------------------	------------------------	------------------	--------

12/08/2021	2021/0141	South Fremantle Power Station	<p>Notice of Motion provided by Cr Terblanche on 19 July 2021.</p> <p>Cr Terblanche requested the following Notice of Motion be prepared:</p> <p><i>That Council writes to the Minister for Energy, the Honourable Bill Johnston, MLA, the Member for Fremantle, Simone McGurk, MLA and Western Power seeking the following outcomes in relation to the South Fremantle Power Station site:</i></p> <p><i>1. The State Government and City establish a joint steering group to:</i></p> <p><i>a. Facilitate and coordinate community and stakeholder engagement and determine overarching planning principles,</i></p> <p><i>b. Review opportunities, in conjunction with the State's preferred proponent(s), to activate the former South Fremantle Power Station building to achieve community, tourism and industry benefits,</i></p> <p><i>c. Review opportunities to relocate the Western Power substation and major powerlines away from the coast to facilitate improved development outcomes, and</i></p> <p><i>d. Review opportunities, with the relocation of Fremantle Port Operations to Westport in Kwinana, to review the rail line and future options for public transport between Fremantle (via Port Coogee) to Cockburn Central;</i></p> <p><i>2. The State transfers control and responsibility for the former South Fremantle Power Station and adjoining landholdings to Development WA, as part of the Cockburn Coast planning and development framework; and</i></p> <p><i>3. The State appropriately fund and resource this initiative.</i></p>	<p>That Council writes to the Minister for Energy, the Honourable Bill Johnston, MLA, the Member for Fremantle, Simone McGurk, MLA and Western Power seeking the following outcomes in relation to the South Fremantle Power Station site:</p> <p>(1) the State Government and the City of Cockburn establish a joint steering group to:</p> <p>1.
